City Call Schedule - Quarter # 1

January 1 - March 31, 2009

PLEASE SCROLL DOWN PAGE FOR SUMMARY OF NEW / REMOVED PHYSICIANS

The City Call schedule may now be accessed on SWMC's INTERNET site at <http://www.swmedicalcenter.org>
Go to: "For Physicians" on top right hand corner of the site

City Call schedules are produced and distributed on a quarterly basis. Schedules are distributed four weeks prior to their effective date.

City Call responsibility will fall to those physicians who are eligible for City Call at the time the schedule is produced. **Physicians who are in the process of being credentialed at the time the schedule is produced will be incorporated into the following quarterly schedule.**

Those physicians who wish to opt out of participation on the City Call schedule due to age (i.e., age 55 for general surgeons and OB; age 60 for all other specialties), and have so notified Medical Staff Services, will be removed from the quarterly City Call schedule in which their birthday falls.

Please feel free to call Medical Staff Services if there are any questions or concerns.

Please call the coordinator that supports the specialty you are calling about, as follows:
